Governors' Statement of Behaviour Principles

Rationale and Purpose

1. This Statement has been drawn up in accordance with the Education and Inspections Act, 2006, and DfE guidance (Behaviour and Discipline in Schools, 2012).
2. The purpose of the Statement is to provide guidance for the Headteacher in drawing up the school's Policy on Positive Behaviour and Discipline so that it reflects the shared aspirations and ethos of governors, staff and parents for the students in the school as well as taking full account of law and guidance on behaviour matters.

It is intended to help all school staff to be aware of and understand the extent of their powers in respect of recognition and reward for good behaviour, discipline and sanctions for unacceptable behaviour and how to use them. Staff should be confident that they have the Governors' support when following this guidance.
3. This is a statement of principles, not practice: it is the responsibility of the Headteacher to draw up the school's Policy on Positive Behaviour and Discipline, though they must take account of these principles when formulating this. The Headteacher is also asked to take account of the guidance in DfE publication Behaviour and Discipline in Schools: a guide for Headteachers and school staff.
4. The Policy on Positive Behaviour and Discipline is published on the school website and is available on request.

Principles

- Every pupil understands they have the right to feel safe, valued and respected, and learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy
- The behaviour policy is understood by pupils and staff
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in permanent and fixed-term exclusions
- Pupils are helped to take responsibility for their actions
- Families are involved in behaviour incidents to foster good relationships between the school and pupils' home life

The governing board also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

This written statement of behaviour principles is reviewed and approved by the curriculum committee every year
