## **RE: Forest School**

Dear Parent/Carer,

In January 2019, we were joined by Emma Lynch, a qualified and experienced Forest School Practitioner. This means our pupils are able to take part in an exciting series of Forest School sessions in our outdoor space throughout the year. Your child may know Emma (known as Hedgehog) as she also works with the children at the Infant School.

During the sessions, your child will be exploring the outdoor area, den building, creating outdoor art, using tools, learning about our environment and much more. Children will participate in Forest School sessions in all weathers, unless weather conditions make it unsafe to do so. Planned Forest School sessions will take place except in high winds or very heavy storms or thunder storms. Each year group usually has their sessions of a half term period. You will be notified prior to your child's year group taking part.

All children will need to complete a parent/carer consent form before the sessions begin. This is attached and should be completed and returned to the school office along with the other forms in your child's pack. Children who do not have a completed and signed consent form will not be able to take part in the sessions.

Thank you for your continuing support.

Yours sincerely,

Mr. Berry  
Headteacher
