## General Comments

A real strength of the school is the effort out in to getting to know each child and how to shape their experience so that they have the best outcomes.

Staff at Longshaw champion children.

The values of the school are evident in the way both staff and pupils are within school.

I have nothing but praise for the school and the opportunities given to my child - she has absolutely flourished!

Longshaw junior school is an excellent educational provider, they don't just teach the children they nourish and encourage the children to grow and develop their own individual personalities. I can not credit the school enough for all the hard work, effort and love they give to each child they teach. The focus of health and fitness the school has I think plays a massive part in the overall well being and enjoyment the children have that go there.

I can not thank longshaw enough for the help they have given both my children and myself over the past 6 years, especially during difficult times. We will all very much miss being a part if the longshaw family.

Fantastic school, brilliant teachers.

A big thank you to all the staff at Longshaw for providing an encouraging and motivating learning environment for \*\*\*. She has thrived throughout her 4 years at Longshaw Juniors and has enjoyed every minute. We could not be prouder of her recent SATs results, which evidences the time spent in making sure the children at longshaw receive the very best in education.

\*\*\* has had more than adequate opportunities to develop her extra-curricular skills within sports which is proven within her most recent competitions.

I have always found the teachers very approachable and are always more than happy to take the time to discuss any concerns to make sure they are dealt with if necessary.

Thank you again.

Overall I think \*\*\* has enjoyed his time at Longshaw. I have always felt able to approach any member of staff with concerns. All 3 of my children have attended Longshaw and they all loved it. I couldn't have wished for a better, more caring school. Thank you.

The school have supported myself and \*\*\* throughout her full time of being there, we appreciate everything that the school have done for us both.

I couldn't have wished for a better school to send my children to. I am sad that my youngest child is leaving, but I am so proud of how far he has come. Please know that the time and effort that the teachers at Longshaw have given my child has been simply amazing and that i will be forever grateful. Thank you x

Longshaw Juniors is a fantastic school. You have all been amazing to both of my children \*\*\* and \*\*\*. All staff always go above and beyond to ensure they are happy, safe and learning at their best ability. I have really appreciated all the extra support they both received when struggling with reading, English and Maths. All the hard/extra work not only from staff but \*\*\* and \*\*\* paid off, I am so proud how far they have come.

Over the years if I have ever had any concerns, I've always been listened too and things have been sorted straight away, I can't thankyou enough for everything you have done for us as a family.

Mr Berry is a great head teacher and does a fantastic job with the school.

My children have both loved their time at Longshaw and made lots of great memories which they will cherish forever. We will miss being apart of the Longshaw family!!

I will always recommend Longshaw school to family and friends.

Thankyou so much for everything!
