

## Parent Questionnaire Feedback Results

Your views are important to us and we want to use your thoughts and ideas to help shape the future of Longshaw Junior School. Throughout the year, we will continue to send out surveys to gather your thoughts and opinions and these will be factored into decision making processes within school.

We would like to thank all of our families who completed the survey. The results were very positive in all areas.

The questionnaire highlighted some areas where we would like to take further action, the table below highlights areas where we feel subsequent action needs to happen.
