SUCCESS FOR ALL – NOTHING LESS!

2nd December 2019

Dear Parent/Carer,

RE: Parents' Questionnaire

Earlier this term, I sent out a survey to ask for your views on a number of areas of school life. We have collected the responses and analysed the results which I have attached to this letter.

Firstly, I would like to thank those of you who took the time to fill in the survey and send it back to school. We value your views greatly and try to respond to any concerns or suggestions you may have.

Secondly, I would like to say how pleased I am at how positive the responses were. In every area, the vast majority of answers were 'very positive,' which is very pleasing indeed. We are very keen to work with you as parents and carers in providing the best opportunities we can for your children to succeed and we are delighted that so many of you feel so supportive of the work of the school.

Clearly, there will always be times when some parents or carers are unhappy with particular incidents or features of school life. It is vital that parents feel able to raise these matters with me or with their child's teachers so that any difficulties can be addressed. **If you are unhappy with any aspect of the school, please feel confident that your concerns will be listened to and any appropriate action will be taken.** Of course we may not always find full agreement in every matter but we undertake to listen to every query and respond considerately.

Once again I would like to thank you for the support you give us in helping our children to succeed both socially and academically.

Yours sincerely

Mr P Hawthornthwaite
