Success for all - Nothing Less!

Headteacher's Message

One of our core values at school is **Aspirations** - encouraging our children to dream big, believe in themselves and understand that their futures are shaped by the effort they put in today.

Recently, this value has come to life beautifully through our pupils' growing love of reading.

In Year 3, pupils have been reading a range of texts linked to different jobs and careers. These stories have sparked thoughtful discussions about the future and what is possible. The children spoke confidently and enthusiastically about their ambitions, with one pupil proudly sharing, "I want to be an Amazon delivery driver," while another said, "I want to be a nurse." These may be very different paths, but both reflect ambition, purpose and a growing understanding of how learning connects to real life. Reading opens doors. It helps children discover new worlds, develop language, and imagine who they might become. Through stories, pupils build knowledge, empathy and confidence - all essential tools for the future.

We continue to remind our children that **working hard in school really matters**. Every book read, every lesson completed and every challenge faced helps them move one step closer to their goals.

With aspiration, effort and a love of learning, anything is possible.

INSET Day - School Closure

A polite reminder that school will be closed on **Friday 13th February** due to an INSET Day. This day is allocated for staff training and development to further support teaching and learning across the school. We appreciate your understanding and cooperation. Please remember to plan childcare arrangements in advance, and we look forward to welcoming pupils back to school after the half term holidays.

Parents' Evening

Parents' Evening will take place on **Tuesday 10th February** and **Wednesday 11th February**. This is a valuable opportunity to discuss your child's progress, achievements, and next steps with their class teacher. We strongly encourage all parents to attend, as working together plays a key role in supporting your child's learning and development.

Morning Arrival & Breakfast Club

A reminder that school gates open at 8.30am, and the playground is not supervised before this time. For families who need an earlier start, Breakfast Club is open from 8.00am, offering a safe, supervised environment and a great start to the day. Please help us keep all children safe by ensuring they do not arrive before supervision begins unless attending Breakfast Club

Attendance Update

We are really pleased to see that attendance has been much better this week, and we would like to thank families for their continued efforts in getting children into school every day and on time 🌟. Good attendance is essential for learning, helping pupils build strong routines, friendships, and confidence, as well as making the most of every learning opportunity. Even small improvements can have a big impact over time.

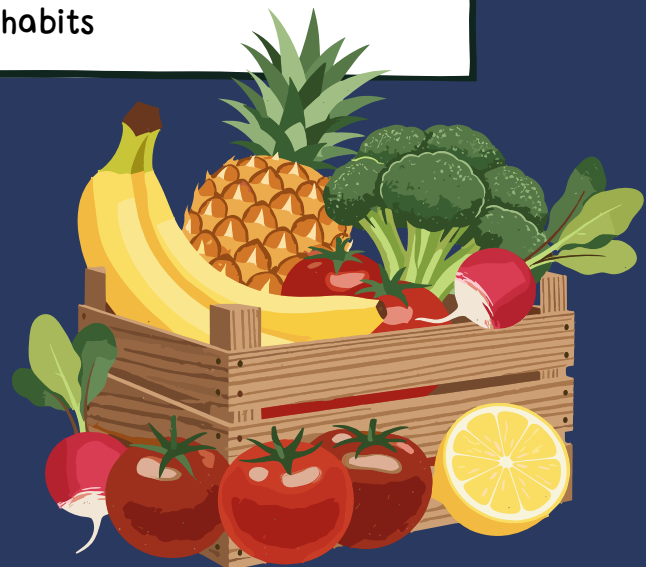

We also understand that families may sometimes face challenges that affect attendance, including health concerns or changes at home. Please remember that you are not alone, and support is always available. If you would like advice, guidance, or simply a conversation about how we can help, please contact the school office and ask to speak with Mrs Scotting or Mrs Taylor ☎️. Working together ensures the best outcomes for our pupils.

Tesco Fruit & Veg for Schools

We are delighted to continue receiving fresh fruit and vegetables through the Tesco Fruit and Veg for Schools scheme. This initiative helps promote healthy eating and ensures our pupils have access to nutritious snacks during the school day. A huge thank you to Tesco for their ongoing support and generosity - it really makes a difference to our children's wellbeing and encourages positive lifelong habits

Online Safety & Social Media

A gentle reminder for parents to regularly check your child's mobile phone and online activity. Social media and online platforms can present risks, and it's important we work together to keep children safe. Talking openly about online behaviour, privacy, and kindness can help pupils make safe choices. Thank you for your continued support in reinforcing the importance of staying safe and responsible online
